Description	<p>On May 10, 2007, Rosario Utilities posted their notice of rate increase to their customers. The notice stated that on May 23, 2007 the WUTC would have an open meeting and that the Rosario request would be on the agenda.</p> <p>The justification for this huge rate increase is not available as of 12 May 2007, although we were told that it is available under your link Water, Active Cases, Rosario Utilities. In lieu of this short notice, a delay of two months is requested in order to prepare a rebuttal to this request for an increase in our water rates of about 65%. We believe that our defense may require a lawyer, which will require at least this amount of time. Less than seven working days to understand the request, gather facts and respond is not adequate.</p> <p>Sincerely, Duane Franklet [REDACTED] Eastsound, WA 98245</p>
