Mr. David Danner, Chairman
State of Washington
Utilities and Transportation Commission
1300 S. Evergreen Park Dr., SW
Olympia, WA 98504

**Re: Q LINK WIRELESS LLC (Order No. 01 in Docket UT-130702
Addition of T-Mobile USA, Inc. as an underlying carrier**

Dear Commissioner Danner:

By Order Number 01 in Docket UT-130702 of the Washington Utilities and Transportation Commission (“Commission”), Q LINK WIRELESS LLC (“Q LINK”) was designated as an Eligible Telecommunications Carrier (“ETC”) in the State of Washington pursuant to 47 U.S.C. § 214(e)(2) (Low Income Only) on December 12, 2013.

Since designation, Q LINK has been providing wireless Lifeline service to eligible Washington Lifeline customers utilizing the Sprint Spectrum L.P. (“Sprint”) network as its underlying carrier. In order to best serve its customers and provide quality service and coverage throughout the State of Washington, Q LINK has added T-Mobile USA, Inc. (“T-Mobile”) as an additional underlying carrier.

By this letter, Q LINK hereby notifies the Commission that it will resell the service of T-Mobile in addition to Sprint. All rates, terms, and conditions approved by the Commission in Order No. 01 in Docket UT-130702 will apply.

I have also enclosed an extra copy of this letter to be date-stamped and returned to me in the enclosed preaddressed, postage prepaid envelope. If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

s/Kasey Chow
