Re: Docket No. TG-131794 - *Washington Utilities and Transportation Commission v. Waste Control, Inc.*,
G-101

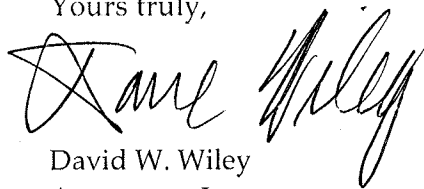

Dear Mr. King:

Thank you for your letter Wednesday confirming the mediation date in this matter. In that regard, I wanted to underscore that I received a call from our client principal, Joseph Willis, Wednesday afternoon on receipt of the Notice who informed me that he will be out of town the week of the mediation, having forgotten that was his family's spring vacation week. However, he fully understands the importance of his involvement in the mediation and will attend, by telephone, the entire mediation session on Thursday, April 3, 2014.

Again, this is to merely notify the Commission and mediator of his participation by telephone and is a reconfirmation of our intention to mediate the case on the scheduled date.

Thank you for your consideration and attention to this matter.

Yours truly,

David W. Wiley
