**Re: Revisions to Puget Sound Energy's Draft 2021 Request for Proposals for All Sources Docket UE-210220**

Dear Mr. Johnson:

On April 1, 2021, Puget Sound Energy ("PSE") filed with the Washington Utilities and Transportation Commission (the "Commission") a draft 2021 All-Source Request for Proposals for Renewable and Peak Capacity Resources ("Draft 2021 All-Source RFP") for approval by the Commission, as required by Order 05 under Docket UE-200413 and as specified in Chapter 480-107 WAC. On June 1, 2021, PSE filed revisions to the Draft 2021 All-Source RFP based on comments to the Draft 2021 All-Source RFP submitted by stakeholders in Docket UE-210220. Since that filing, PSE has identified additional revisions to the Draft 2021 All-Source RFP. Enclosed for filing are the following files:

- Attachment A to this letter is a table of revisions made by PSE to the Draft 2021 All-Source RFP and submitted with this filing;
- Attachment B to this letter is a redlined version of the Draft 2021 All-Source;
- Attachment C to this letter is a clean version of the Draft 2021 All-Source;
- Attachment D to this letter is a redlined version of Exhibit A to the Draft 2021 All-Source;
- Attachment E to this letter is a clean version of Exhibit A to the Draft 2021 All-Source;
