In accordance with WAC 480-100-650(3) and (4), PacifiCorp d/b/a Pacific Power & Light Company submits the enclosed Clean Energy Implementation Plan 2024 Progress Report and supporting workpapers to the Washington Utilities and Transportation Commission.

Confidential workpapers are provided in accordance with the protective order in this case and WAC 480-07-160. The confidential workpapers include: "valuable commercial information"; "specifically confidential marketing, cost," and/or "financial information"; "customer-specific usage information"; and/or "network configuration and/or design information." WAC 480-07-160. Disclosure of such information would harm PacifiCorp by an unfair competitive disadvantage. Redacted versions of the workpapers are provided as well as a placeholder for those workpapers that are confidential in their entirety.
