GENERAL

Item 100: Application of Tariff Issuance

This pilotage tariff is issued by the Washington Utilities and Transportation Commission.

Revisions of each page will be in numerical order and will cancel all original, prior, or revised pages. For example:

"1st Revised Page 2" cancels "Original Page 2."

Proposed Tariff Changes

Each proposed change in rates, charges, or rules must be clearly identified by printing the appropriate code symbol immediately to the left of the material being changed.

Proposed Change:	Code Symbol
Reductions in rates or charges	(R)
Increases in rates or charges	(A)
Changes resulting in neither increases not decreases	(C)
New rates, services or rules	(N)
Change in Text (shown in legislative/redline format)	(T)

Tariff sheets are in table format. Changes are easily seen by the reader. Annotations such as (R), (A), (C), or (N), should be bolded for visibility.

Tariff Proposals

The Washington Utilities and Transportation Commission has been authorized under Chapter 81.116 RCW to establish marine pilotage tariffs consistent with 88.16 RCW. Any persons with substantial interest may file with the commission a proposed revised tariff.

Pilotage District

This tariff applies to marine pilotage services provided in the Puget Sound Pilotage District and applies to all vessels requiring marine pilotage service in the district pursuant to RCW 88.16.070 which shall be charged in accordance with the following schedule of rates.

Charges apply to all non-exempt vessels

Vessels failing to utilize compulsory pilotage service in the District as required in RCW 88.16 shall pay all applicable pilotage charges.

Item 110: Definitions

The following terms used in this tariff shall have the following meanings unless expressly otherwise provided herein:

Berthing Delay

The circumstances under which a vessel cannot be moved to berth for any reason, causing the vessel to move to anchor prior to berthing.

Carried Out of District

The circumstances under which a pilot remains on board the vessel at the time it leaves the Puget Sound Pilotage District, or if at the Request of the Vessel the pilot boards or disembarks the vessel outside the District.

Dead Ship

A vessel which is unable to proceed under its own power or maneuver with its own steering gear.

Delay

The circumstances under which a Vessel Movement fails to commence by the Order Time outside of the control of the pilot.

Detention

The time period during which a pilot is retained aboard at the Request of the Vessel or is unable to disembark for reasons outside of the control of the pilot, including times a pilot is Carried out of District.

Harbor Area

A harbor described in Section IV, Geographic Descriptions of Harbor Areas.

Harbor Shift

A Vessel Movement within the same Harbor Area and shall be limited to the service of moving vessels within that port.

Inter-Harbor Vessel Movement

Any movement of a vessel from one Harbor Area to another Harbor Area, or to or from any location in the District and Port Angeles.

International Gross Tonnage

The highest stated figure of the overall size of the vessel in Lloyd's Register (also known as "Lloyd's Registry of Ships"), if available, or the certifiably correct figure determined in accordance with the International Convention on Tonnage Measurement of Ships, 1969, if not stated in Lloyd's Register.

The International Gross Tonnage for vessels engaged in towing shall be the combined gross tonnage of the towing vessel and the vessel(s) being towed.

Job Time

The interval commencing at the time the pilot boards a vessel, pilot boat, or launch to commence or continue a Vessel Movement (whichever occurs earliest) and ending at the time the pilot Steps Ashore.

Length Overall (LOA)

LOA of a vessel shall refer to the length of the vessel as measured in meters and hundredths of meters, rounded up to the nearest hundredth meter, as published in Lloyd's Register (also known as "Lloyd's Registry of Ships"), unless missing or erroneous, in which case certifiable (recognized certification agency i.e. ABS) correct figures shall be used.

Order Time

The time for which a pilot is ordered and at which pilotage service is to commence as requested by the vessel. In the event a vessel movement commences or continues by a pilot who was Standing By to Pilot, Order Time shall mean the time the Pilot assumes the conduct of the vessel.

Puget Sound Pilotage District or District

The area described in RCW 88.16.050 as all the waters of the state of Washington inside the international boundary line between the state of Washington, the United States and the province of British Columbia, Canada and east of one hundred twenty-three degrees twenty-four minutes west longitude.

Request of the Vessel

The circumstances under which a pilot is requested to take a particular action, causing the application of a charge under this tariff, by the vessel's owner, crew, or its agent or representative.

Standing By to Pilot

The circumstances under which a pilot is requested to and boards or remains on board a vessel to be ready to commence or continue a Vessel Movement at a later time.

Steps Ashore

The time at which a pilot reaches the shore after disembarking a vessel following a Vessel Movement.

Vessel Movement

Any movement of a vessel requiring a marine pilot for which charges apply under this Tariff, including, without limitation, Inter-Harbor Vessel Movements and Harbor Shifts.

Section 2
-
RULES AND REGULATIONS

Item 200: Pilotage Station

Port Angeles is the location of the pilotage station for Puget Sound and adjacent inland waters and tariffs shall be assessed accordingly. Boundary pilotage shall apply on all ships going to and coming from all British Columbia ports.

Item 210: Procedure for Ordering a Pilot

For information regarding how to order service from Puget Sound Pilots, please refer to Puget Sound Pilots' website located at https://www.pspilots.org/dispatch-information/order-a-pilot/.

Item 220: Failure to Observe Pilotage Rate — Penalty

No pilot shall charge, collect or receive and no person, firm, corporation or association shall pay for pilotage or other services any greater, less or different amount, directly or indirectly, than the rates or charges established in this tariff. Any pilot, person, firm, corporation or association violating the provisions of this section shall be guilty of a misdemeanor.

Item 230: Marine Pilotage Tariff Costs

General rate setting costs: The commission, in setting general rates for marine pilotage services, may include as part of the tariff for pilotage services provided under chapter 88.16 RCW the reasonable costs the commission incurs for the setting of tariff rates. Commission costs that are included in the tariff for pilotage services must be appropriated from the pilotage account established in RCW 88.16.061.

Item 240: Pilot's Lien for Compensation.

Each vessel, its tackle, apparel and furniture and the owner thereof shall be jointly and severally liable for the compensation of any pilot employed thereon and such pilot shall have a lien upon such vessel, her tackle, apparel and furniture for such compensation.

Section 3
-
PILOTAGE RATES AND CHARGES

Item 300: Inter-Harbor Vessel Movements

All inter-harbor vessel movements shall be assessed a Tonnage Charge and a Service Time Charge. The Tonnage Charge shall be based on the Vessel's International Gross Tonnage.
