Subject Sure-Way Systems, Inc. Docket No. 042089

Dear Judge Caille,

I request that you schedule a brief conference call with counsel during the next three days to discuss scheduling additional hearing days.

I do not believe that adequate hearing days have been scheduled to permit Stericycle to properly cross-examine Sure-Way's witnesses or to present Stericycle's own case. I request that additional hearing days be scheduled during the last two weeks of September, if possible.

The hearing days scheduled from August 30 to Sept. 1 will be needed for Sure-Way's operational
