**NOTICE CORRECTING TARIFF FILING DEADLINE
IN INITIAL ORDER**

RE: *Washington Utilities and Transportation Commission v. Fragaria Landing Water Co.*, Docket UW-060662

TO ALL PARTIES:

On March 30, 2007, the Commission entered an Initial Order that would approve and adopt a Settlement Agreement between Fragaria Landing Water Co. (Fragaria) and the Commission Staff (Staff) and dismiss the pending Complaint against Rates and Charges.

On April 3, 2007, Staff filed a waiver of its right to seek administrative review and noted that the Initial Order appears to establish the deadline for Fragaria to file revised and initial tariff sheets within the time period permitted for administrative review of the Initial Order. Staff noted that the Settlement Agreement required these filings within 10 days after the Commission's final approval of the Settlement Agreement, following the opportunity for administrative review.

The deadline established by Paragraph 29 of the Initial Order is erroneous and should be corrected. The intent of the paragraph was to establish a filing deadline consistent with the terms and conditions of the Settlement Agreement. Paragraph 29 should be corrected as follows:

(3) Within 10 days of the date of Commission approval of the Settlement Agreement, Fragaria Landing Water Company, Inc., shall file revised tariff sheets for Fragaria Landing water system and initial tariff sheets for Hunt Community water system.

All other terms and conditions of the Initial Order issued March 30, 2007, are affirmed.

Sincerely,

PATRICIA CLARK
