WAC 480-80-010 Application of rules. (1) The rules in this chapter apply to any public service company that is subject to the jurisdiction of the commission as to rates and services under the provisions of Title 80 RCW.

(2) The tariffs(~~(, price lists,)~~) and contracts filed by public service companies must conform with these rules. If the commission accepts a tariff(~~(, price list,)~~) or contract that conflicts with these rules, the acceptance does not constitute a waiver of these rules unless the commission specifically approves the variation consistent with WAC 480-80-015 (Exemptions from rules in chapter 480-80 WAC). Tariffs(~~(, price lists,)~~) or contracts that conflict with these rules without approval are superseded by these rules.

(3) Any affected person may ask the commission to review the interpretation of these rules by a public service company or customer by posing an informal complaint under WAC 480-07-910 (Informal complaints), or by filing a formal complaint under WAC 480-07-370 (Pleadings--General).

(4) No deviation from these rules is permitted without written authorization by the commission. Violations will be subject to penalties as provided by law.

(5) Any tariff(~~(, price list,)~~) or contract on file and in effect or pending on the effective date of these rules is not required to be refiled to comply with these rules.

WAC 480-80-015 Exemptions from rules in chapter 480-80 WAC. (1) The commission may grant an exemption from the provisions of any rule in this chapter, if consistent with the public interest, the purposes underlying regulation, and applicable statutes.

(2) To request a rule exemption, a person must file with the commission a written request identifying the rule for which an exemption is sought, giving a full explanation of the reason for requesting the exemption.

(3) The commission will assign the request a docket number, if it does not arise in an existing docket, and will schedule the request for consideration at one of its regularly scheduled open meetings or, if appropriate under chapter 34.05 RCW, in an adjudication. The commission will notify the person requesting the exemption, and other affected persons, of the date of the hearing or open meeting when the commission will consider the request.

(4) In determining whether to grant the request, the commission may consider whether application of the rule would impose undue hardship on the petitioner, of a degree or a kind different from hardship imposed on other similarly situated persons, and whether the effect of applying the rule would be contrary to the purposes of the rule.

(5) The commission will enter an order granting or denying the request or setting it for hearing, pursuant to chapter 480-07 WAC.

~~((6) Competitive telecommunications companies previously granted exemptions from chapter 480-80 WAC Utilities general Tariffs, price lists, and contracts, are not exempt from Part I and Part III of this chapter.
