Date of intended adoption: October 18, 2012

(Note: This is NOT the effective date)

Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The proposal revises the existing rule to require local exchange carriers to distribute white pages telephone directories only to customers who request them. The proposal would minimize the burden on regulated carriers to print and distribute directories and would substantially reduce the amount of waste resulting from disposal of unwanted printed directories.

The purpose of the continuance of WSR# 12-15-070 is to provide notice of a change in the date of the hearing regarding adoption of the rule proposal in this docket. The date of the hearing has been changed from Wednesday, September 12, 2012, at 9:30 a.m. to Thursday, October 18, 2012, at 9:30 a.m.

Reasons supporting proposal:

Consumers primarily rely on the Internet as a resource for telephone number listings, rendering unnecessary a requirement that companies distribute printed white pages directories except to those customers who request them. Eliminating distribution of unwanted directories also enhances environmental stewardship in cooperation with cities and municipalities by reducing the volume of paper waste that must be processed and disposed of.
