4 **LORIN I. MOLANDER**

5 **Q. Please state your name and business address.**

6 A. My name is Lorin I. Molander. My business address is 355 110th Ave NE,
7 Bellevue, WA 98004.

8 **Q. By whom are you employed and in what capacity?**

9 A. I am employed by Puget Sound Energy, Inc. ("PSE") as Manager, Load
10 Forecasting and Analysis.

11 **Q. What are your duties as Manager, Load Forecasting and Analysis for PSE?**

12 A. I am responsible for PSE's long-term (20-year) electric and gas load forecast.

13 **Q. Briefly describe your education and other relevant employment experience.**

14 A. I hold a Bachelor of Science degree in Economics from the University of Puget
15 Sound. I have 25 years of experience, mostly in the energy/utility industry, in the
16 field of customer data analysis with respect to load research, forecasting, market
17 research, and energy efficiency program planning, design, and evaluation.

1 I have worked for PSE for 15 years. I have held several positions throughout my
2 career at PSE. Prior to my current position, my experience includes Sr. Economic
3 Forecasting Analyst supporting the load forecast for two years, and ten years of
4 experience as PSE's load researcher in the positions of Market Researcher and
5 Regulatory Consultant, in the Market Research and Load Forecasting and
6 Regulatory groups, respectively. My work for PSE includes two years as a
7 contractor in the Information Technology organization to develop a customer
8 billing system data warehouse.

9 I have a total of nine years of experience working for energy industry consulting
10 firms (Quantum Consulting Inc., and KEMA, Inc.) that provide services relating
11 to load research, energy efficiency and demand response program evaluation,
12 planning and design, and market research.

13 In addition, I was the corporate Sales Forecaster for on-line grocery retailer
14 HomeGrocer.com from 2000 to 2001, where I oversaw the development of
15 econometric models pertaining to customer acquisition and retention for current
16 and potential markets.
