**REQUEST:****Re: Avista's Response to Public Counsel Data Request No. 498.**

Please provide additional documentation and information regarding the multi-family direct install program that resulted in 113,178 therm savings in 2006, as discussed in the above data response. Please provide the following:

- a. Any data the company has regarding the total number of installations, as well as the number of multi-family buildings that received measures as part of this program. If possible, provide data for each measure type in the program (e.g. CFLs, showerheads, aerators, water pipe wrap).
- b. Therm and kwh savings claimed per participating customer or measure install.
- c. Amount of Avista incentive payment, if applicable, or value of benefit provided by Avista.
- d. Customer project cost.
- e. Total savings (kwh and therm) for each measure type in this program.
- ~~f. Any additional documentation retained by Avista supporting these DSM transactions.~~
- g. Please provide an explanation for the data provided in response to parts (a) through (e) of this request to indicate whether Avista tracks program participation, savings, and costs for each unit within a building, and/or for the entire building.

**RESPONSE:**

Please see the Company's response to PC-515. As stated, the projects were "site-specific", not the result of a direct install program.
