Dear Ms. Maxwell:

Enclosed is the notice CenturyLink has provided to the FCC that, based on its preliminary data, CenturyLink exceeded its final Connect America Fund Phase II (CAF II) location deployment milestone in Washington. The final steps in the CAF II process include CenturyLink submitting its data by March 1, 2022, followed by the federal audit of locations deployed and final statements by the FCC. CenturyLink appreciates the support of the Commission throughout the CAF II projects and looks forward to additional broadband deployment through the FCC's Rural Digital Opportunity Fund.

Pursuant to instructions from Tim Zawislak, this update is being refiled to reflect the correct docket.

Please do not hesitate to contact me at (206) 733-8645 or via email at david.namura@lumen.com should you have any questions regarding this filing.

Sincerely,

David Namura
