Subject: June 2006 Service Quality Report – Corrected Sheets

Dear Ms. Washburn:

Please substitute the enclosed table ("06WaTrbAndSwLns2") for the corresponding one included with our filing dated July 27, 2006. It corrects some data that was misstated due to a formatting error.

Central office level detail is marked "Confidential pursuant to WAC 480-07-160" as it includes access line count and activity information that would have economic value to the Company's current and potential competitors, such as in determining when and where to enter begin operation.

If you have any questions concerning this report, please call me at 425-261-5006 or email me at richard.potter@verizon.com.

Very truly yours,
