NOTICE OF CONTINUANCE

(November 28, 2006)

RE: *Washington Utilities and Transportation Commission v. Westgate Communications, LLC, d/b/a WeavTel*, Dockets UT-060762, UT-060920 and UT-060921 (consolidated)

On November 14, 2006, WeavTel requested a brief continuance of the date upon which it must file its direct case from November 17, 2006, to November 28, 2006. WeavTel states that the continuance is necessary in light of the engagement of a new expert witness. WeavTel represents that Staff agrees to the proposed continuance, with the understanding that no other adjustments to the procedural schedule are required at this time.

The Commission finds good cause to grant WeavTel's unopposed request.

THE COMMISSION GIVES NOTICE that the date upon which WeavTel is required to prefile its direct testimony and exhibits is postponed from November 17, 2006, to November 28, 2006. All other procedural dates remain unchanged.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
