Re: Docket No. UW-110054 - Rainier View Water Co., Inc. – Settlement  
Agreement

Dear Mr. Danner:

Rainier View Water Co., Inc. (the "Company") and Staff of the Washington Utilities and Transportation Commission ("Staff") have reached full settlement in this docket. To that end, enclosed are the original and seven copies of the executed Settlement Agreement which includes four attached exhibits (Attachments A-D) and the Narrative Supporting Settlement Agreement.

By this letter, the Company is fully waiving the suspension period for this docket to allow the Commission to consider the Settlement Agreement and supporting documentation.

A portion of the Settlement Agreement calls for the Company to provide customer notice of certain items contained in the Settlement Agreement. The customer notice will be send to Commission Staff for review under separate cover.
