Good morning,

I'm providing an update on the status of the order in these dockets. The Commission is exercising its discretion to waive the requirement in WAC 480-07-610(6) that an order issue within 10 days of a brief adjudicative proceeding. Because I believe it is necessary to review the transcript prior to making a determination, I will instead issue an order within 10 days of receiving the transcript. Transcripts are typically received 7 -10 days after a hearing. Please let me know if you have any questions.

Thank you,

Rayne Pearson
