

**UTC STAFF DATA REQUEST NO. 53:**

In the Rebuttal testimony of Weldon T. Burton, Burton states that the “new pilots” was just a place holder and that these slots have been filled for training. Exh. WTB-08T at 29:11-18. Please supply supporting documentation showing that these training slots have been filled.

**RESPONSE TO UTC STAFF DATA REQUEST NO. 53:**

An email identifying the four pilots (highlighted) that attended tanker escort training on March 2, 2023, is in the attached pdf, Staff DR 53 Response – Tanker Escort Training. Due to the short turn-around period for data requests, PSP was unable to obtain the invoice from the training facility prior to submitting these responses.
