QWEST'S MOTION FOR EXTENSION OF
PAGE LIMIT

1. Qwest Corporation ("Qwest") hereby moves the Washington Utilities and Transportation Commission for an extension, not to exceed five (5) pages, of the sixty (60) page limitation set forth in WAC 480-07-395(1)(b) as that limitation applies to Qwest's Answer to Petitions for Administrative Review, filed contemporaneously herewith.
2. Qwest states that the additional pages are necessary in order to fully answer the petitions filed by multiple parties in this case, raising many complex issues. Qwest has combined its answer to all of those petitions in one document, and the small additional number of pages allows Qwest to fully develop its response.

3. Qwest states that it raised this issue informally with the other parties to this case yesterday and those parties who responded did not raise any objections to Qwest's request.
4. Therefore, Qwest asks the Commission to accept its Answer herein, consisting of no more than sixty-five (65) pages.

DATED this 14th day of November, 2007.
