Subject: Fwd: PFAS Letter/EPA Memo

CAUTION: This email originated from outside of Anchor QEA. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning!

I received the below e-mail and attachments from Tim Brooks, the BES IWDP permit manager for Gasco. The BES e-mail attaches informational correspondence from BES and EPA regarding BMPs surrounding PFAS potential in wastewater or stormwater discharges. It looks like this is informational and offers suggested practices surrounding PFAS. I'm forwarding to the team for information and consideration.

Thanks,

-Rob
