RE: Contact Information – Compliance Filing WAC 480-120-414
Docket UT-220749

Dear Mr. Killip:

Securus Technologies, LLC ("Securus") is sending this correspondence to comply with WAC-480-120-414, the requirement for telecommunication companies to file an Emergency Plan with the Washington Utilities and Transportation Commission. To offer you some background information about our business, Securus solely provides telecommunications services to correctional facilities. Securus is not a facilities-based carrier and does not conduct an emergency response plan. Any required emergency response would be appropriately handled by the underlying carriers. Below is the current list of Securus carriers in Washington; however, these are subject to frequent changes.

2PiFi
CENTURYLINK
CHARTER COMMUNICATIONS
COMCAST
HOOD CANAL COMMUNICATIONS
SPECTRUM
WAVE BROADBAND
WHOLESALE NETWORKS
ZAYO GROUP, LLC
ZIPLYFIBER

Securus sincerely appreciates your attention to this matter. Should you have any questions or concerns that have not been addressed, please contact me at (972) 277-0395 or debbie.conde@securustechnologies.com.

Respectfully submitted,

/s/
