TO: Suzanne Stillwell, Licensing Manager
FROM:  Tom Lepski, Transportation Specialist 3
DATE: October 2, 2014
SUBJECT: Docket TV-112194, Application for Permanent Authority

On December 20, 2011, ASM LLC dba All Service Moving, d/b/a All Service Moving, filed Docket TV-112194 requesting permanent household goods authority.

The Commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier Permit THG-64752, since October 15, 2012.

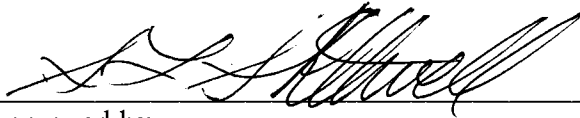

Under WAC 480-15-305, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Ray Gardner completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Gardner found the company in general compliance and on September 23, 2014, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-64752 is in order as follows:

- Records Center has a current annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-64752.
- Compliance Investigations does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company attended mandatory HHG new entrant training on many occasions from 2008 - 2013.

I recommend the Commission grant TV-112194 and reissue permit HG-64752 to ASM LLC dba All Service Moving, d/b/a All Service Moving, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
