RE: *WUTC v. Sandy Point Improvement Company*
Docket UW-121408

Dear ALJs Moss and Watson:

Per the Commission's January 15, 2013, Prehearing Conference Order, Commission Staff files the following status report on behalf of the parties.

As of this date, the case is being processed on schedule. The parties are still exchanging information via the discovery process and have been able to address among themselves any issues that have arisen. A settlement conference is scheduled for March 26, 2013.

Mr. Rehberger, counsel for Sandy Point Improvement Company, and intervenor Mr. Lockwood have advised me they concur in this status report.

Sincerely,

DONALD T. TROTTER
Assistant Attorney General
