MEMORANDUM

- 1 On December 29, 2014, Pacific Power & Light Company (Pacific Power or Company) filed a tariff revision with the Washington Utilities and Transportation Commission (Commission) updating its avoided cost tariff, Schedule 37. The Commission suspended operation of the tariffs on February 12, 2015, by Order 01 entered in this docket.

- 2 On May 8, 2015, the Company submitted for filing the Joint Motion of Staff, Pacific Power, and the Renewable Energy Coalition seeking to admit into the record of this proceeding, by agreement, certain documents that were attached to the motion. The moving parties state that the only other active party, Boise White Paper, L.L.C., does not oppose the motion.

- 3 There being no objection to this proffer of evidence, which appears to concern the subject matter of this docket and may inform the Commission’s deliberations and decisions, the Commission determines that it should admit the documents as filed.

ORDER

4 THE COMMISSION ORDERS That the unopposed Joint Motion of Staff, Pacific Power, and the Renewable Energy Coalition to admit certain documents into the record, as will be memorialized in the Exhibit List for Docket UE-144160, is GRANTED.

Dated at Olympia, Washington, and effective May 12, 2015.
