Dear Mr. Johnson:

Puget Sound Energy ("PSE") hereby submits to the Washington Utilities and Transportation Commission (the "Commission") the enclosed Petition for Amendment of Order 04 in Docket UE-200413. Specifically, PSE respectfully requests that the Commission amend Order 04 in Docket UE 200413 by changing the date by which PSE must file its request for proposals for demand response resources from April 1, 2021, to Monday, November 15, 2021. In furtherance of the relief requested, PSE further commits to the following:

- (i) PSE will file a draft request for proposals for all resources on April 1, 2021, consistent with the requirements of Order 04 in Docket UE-200414;
- (ii) PSE will file a request for information for distributed energy resources, including, without limitation, demand response resources, by April 1, 2021;
- (iii) PSE will develop technical and operational requirements for a virtual power plant platform in mid-2021; and
- (iv) PSE will file a draft targeted request for proposals for distributed energy resources, including, without limitation, demand response resources, in Docket UE-200413 by Monday, November 15, 2021.

Please feel free to contact me if you have any questions regarding this filing.
