RE: UT-210002 Lewis River Telephone Company d/b/a TDS Telecom FCC Form 477

Dear Mr. Johnson:

Please find the attached TDS Telecommunications Corporation FCC Form 477 summary report filed in accordance with WAC 480-123-030(1)(e) for Lewis River Telephone Company d/b/a TDS Telecom (Lewis River). Since the FCC Form 477 data is filed at the TDS Telecom total company basis, the underlying data for only Lewis River is attached as a separate file along with an affidavit certifying that this data is the same as what was included in the FCC filing.

Pursuant to regulations cited in WAC 480-07-160, the Company requests portions of this filing be treated as confidential and not subject to public inspection. The information is not publically available and if subject to public disclosure would cause significant commercial and competitive harm to the Company. Pages containing such information have been labeled accordingly and the confidential information highlighted. Public versions of the documents are also enclosed where applicable. Note that where multi-state information is included on the documents, the data for states other than Washington has been redacted in both the public and confidential versions as that information is outside jurisdiction of the WUTC.

If there are questions or concerns regarding this filing, I can be reached at either 541-516-8210 or [gail.long@tdstelecom.com](mailto:gail.long@tdstelecom.com).

Sincerely,

/s/
