Re: *Relating to the Commission-led workshop series on the Climate Commitment Act,*
Docket U-230161

Dear Acting Director Hunter:

On August 30, 2023, the Washington Utilities and Transportation Commission (Commission) issued a list of questions regarding the Climate Commitment Act (CCA) and invited interested persons to provide written comments in response to those questions by September 7th. The Commission's questions are comprehensive and involve complex issues. In light of this, the Public Counsel Unit of the Attorney General's Office (Public Counsel) needs additional time to consider these questions. If Public Counsel provides comments, it will do so in advance of the September 15th workshop.

Sincerely,

/s/ 

NINA M. SUETAKE, WSBA No. 53574
