Dear Mrs. Diana Otto,

Jerry Lease is no longer our Watermaster. He has left to fulfill his missionary obligations for the LDS Church. His last day on the payroll is June 30, 1995. He has been replaced by Mr. Art Hammer, who is an assistant to Mr. Steve Mitchell, the Watermaster for Desert Air. Mr. Hammer has talked to Craig Riley and has his approval to work for us. From meeting with Mr. Hammer, he has impressed me as being very knowledgeable in he field. He also is a very personable man. I am sure that he will be an asset to our company.

I have called several of the officers of the home owners assoc. and informed them of the change and also invited them to meet Mr. Hammer. I will send a brief note with my billing informing all the customers in our system that we have a new Watermaster and his name. If your have any suggestions in handling this matter please call me. Thanks so much for your assistance.

Sincerely Yours,

Jessica L Westphalen
