*I* Puget Sound Energy, Inc. (“PSE”) does not object to the NW Energy Coalition (“NVEC”) Motion to Limit Participation as an Intervenor. Although NVEC’s participation may be limited, NVEC should be allowed to present its witness, Ralph Cavanagh, to the Commission for questions and cross examination at the evidentiary hearing. The testimony Ralph Cavanagh filed remains part of the record in this case. The Commission may have additional questions for Mr. Cavanagh, given the additional testimony that may be filed by other parties on topics Mr. Cavanagh addressed in his testimony in this proceeding relating to decoupling and its effect on return on equity.

Dated this 29th day of October, 2014.
