REQUEST:

On page 5 of Exhibit No. ___ (RLS-4) to the Direct Testimony of Richard L. Storro, the statement is made that three start dates were evaluated for the Lancaster PPA because "negotiations with Coral Energy are ongoing". On what date was it known the date on which the Lancaster PPA would be made available to Avista Utilities?

RESPONSE:

The decision regarding the date on which the Lancaster PPA would be available to Avista Utilities was made as part of the ongoing negotiations between March 2007 when Energy Resources was asked to study the transaction and the April 17, 2007 public announcement regarding the sale of Avista Energy to Coral Energy.
