

**EXHIBIT NO. \_\_BHP-10**

**August 9, 2010 – CenturyLink Response to  
Charter Data Request No. 44; Attachment  
Charter 44**

Washington  
Docket No. 100820  
Response to Charter Data Request No. 44  
Respondent: John Felz  
Witness: TBD  
Response Date: August 9, 2010

44. Produce maps, records, or other materials that identify the exchanges served by CenturyLink affiliate(s) in Washington.

RESPONSE:

CenturyLink objects to this data request as overly broad, unduly burdensome, irrelevant and not reasonably calculated to lead to the discovery of admissible evidence. Additionally, CenturyLink objects to the Request to the extent that the Request seeks information that is publicly on file with the Commission. Without waiving and subject to said objections, CenturyLink responds as follows:

Please see Attachment Charter-44.
