Re: Docket No. UT-003053  
Notification of Termination of Interconnection Agreement between Qwest  
Corporation and MGC Communications, Inc. dba MPOWER Communications  
Corp.

Dear Ms. Washburn:

This letter provides notice that the Interconnection Agreement between Qwest Corporation and MGC Communications, Inc. dba MPOWER Communications Corp. has been vacated by the United States Bankruptcy Court for the District of Delaware in MPOWER's Chapter 11 proceeding (Case Number 02-11-46 (PJW)) effective April 29, 2002. As such, the Interconnection Agreement, which was approved by the Commission on September 13, 2000, has been terminated and is no longer in effect.

Pursuant to the February 28, 2003 Commission letter in Docket No. UT-990302 (In the Matter of the Request for Approval of Negotiated Agreement Under the Telecommunications Act of 1996 Between Topp Comm, Inc. and Qwest Corporation), Qwest understands that approval of this termination by the Commission is not required, and provides this notice simply for the Commission's information and benefit. Thank you.

Sincerely,

Elizabeth M. Weber
