RE: Emergency Rulemaking to Incorporate by Reference Current Federal Standards  
WAC 480-75-005 and WAC 480-93-010  
Docket No. UG-010816

TO ALL INTERESTED PERSONS:

The Commission is pleased to enclose WAC 480-75-005 and WAC 480-93-010, the Commission's emergency rules relating to incorporating by reference current federal standards set forth in 49 CFR Parts 191, 192, 193, 195, and 199 pertaining to Pipeline Safety, developed in the rulemaking activity under Docket No. UG-010816.

The Commission filed the Order Amending Rules on an Emergency Basis with the Code Reviser on June 14, 2001. The rules are effective immediately and will remain in effect until permanent rules are adopted.

Please direct any questions about the rule to Kim Dobyms of the Commission Staff at (360) 664-1242.

Sincerely,

CAROLE J. WASHBURN  
Secretary
