By application filed with the Washington Utilities and Transportation Commission on the 26th day of July, 2001, Carroll-Naslund Disposal Service, Inc., d/b/a Naslund Disposal Service, requested extension of service under Certificate of Public Convenience and Necessity No. G-37.

Upon consideration of all the evidence of record, the Commission finds that the applicant is fit, willing and able to properly conduct the proposed operations and that the service sought to be rendered is necessary and will be a convenience to the public.

ORDER

WHEREFORE, IT IS ORDERED That the application herein be, and the same is hereby granted and contingent upon the applicant having complied with the provisions of chapter 81.77 RCW and the rules relating to solid waste companies. Certificate of Public Convenience and Necessity NO. G-37 shall be amended, as per the attached Appendix A.

DATED at Olympia, Washington, and effective this 19th day of April, 2002.

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

CAROLE J. WASHBURN, Secretary

## APPENDIX A

SOLID WASTE COLLECTION SERVICE in that portion of Asotin County described as follows: Starting at the southwest corner of Sec. 3, T9N, R43E (also the Asotin-Garfield County line); then northeasterly along the Asotin-Garfield County line to its intersection with the Asotin-Whitman County line (also the centerline of the Snake River); then easterly along said county line to its intersection with the Idaho-Washington State line (also the centerline of the Snake River); then southerly along said state line to its intersection with the south line of Sec. 20, T7N, R47E; then west along the south line of said section extended to the southwest corner of Sec. 24, T7N, R44E; then north along the west line of said section to the northwest corner of Sec. 25, T8N, R44E (also the northeastern boundary of the Umatilla National Forest); then northwesterly along the northern Umatilla National Forest boundary to the southwest corner of Sec. 3, T9N, R43E (also the Asotin-Garfield County line), the point of beginning.

SOLID WASTE COLLECTION SERVICE in that portion of Garfield County described as follows: Starting at the southwest corner of Sec. 31, T10N, R42E; then northerly along the Columbia-Garfield County line (also the west line of said section) to its intersection with the southwest corner of Sec. 36, T12N, R40E; then north along the west line of said section to its intersection with the south line of Sec. 35, T13N, R40E; then west along the south line of said section to its intersection with the southwest corner of said section; then north along the west line of said section to its intersection with the Garfield-Whitman County line (also the centerline of the Snake River); then easterly along said county line to its intersection with the Asotin-Garfield County line (also the east line of Sec. 1, T11N, R44E); then southwesterly along the Asotin-Garfield County line to its intersection with the north line of the Umatilla National Forest (also the south line of Sec. 4, T9N, R43E); then west along the north line of the Umatilla National Forest to its intersection with the Columbia-Garfield County line (also the southwest corner of Sec. 31, T10N, R42E), the point of beginning.

SOLID WASTE COLLECTION SERVICE in that portion of Whitman County described as follows: Starting at the point where the Asotin-Whitman County Line (Snake River Centerline) intersects the Idaho-Washington State Line; then westerly along said county line to its intersection with the extended north line of Section 18, T11N, R45E; then east along the north line of said section to its intersection with the Idaho-Washington State Line; then south along said state line to its intersection with the Asotin-Whitman County Line (Snake River Centerline), the point of beginning.
