

I am responding on behalf of El Paso Networks, L.L.C. to the request for emergency contact information. Even though El Paso Networks holds a certificate to provide telecommunications services in the state of Washington, the company is not doing so at this time. The company has no local, regional or emergency operations centers in Washington. Our emergency telephone number is 713-420-2600. Please let me know if you require additional information.
