**BACKGROUND**

- 1 On April 9, 2004, Roche Harbor Water System, (Roche Harbor or Company) filed with the Commission revisions to its currently effective Tariff WN U-1, designated as First Revised Sheet No. R-4 Canceling Original Sheet No. R-4, First Revised Sheet No. R-11 Canceling Original Sheet No. R-11, Fifth Revised Sheet No. W-1 Canceling Fourth Revised Sheet No. W-1, Third Revised Sheet No. W-2 Canceling Second Revised Sheet No. W-2, First Revised Sheet No. W-3 Canceling Original Sheet No. W-3, Second Revised Sheet No. W-4 Canceling First Revised Sheet No. W-4, Original Sheet No. W-4.1, First Revised Sheet No. W-7 Canceling Original Sheet No. W-7, and Original Sheet No. W-10. The stated effective date is May 1, 2004.
- 2 This filing is to change several charges and to implement new charges. The company serves approximately 370 residential customers on San Juan Island. The Company states that this filing has several purposes.
  1. Change Rule 5 for reconnection and discontinuance of service.
  2. Establish base charge for upsized meter services.
  3. Removes flat rate service from tariff.

4. Removes fire flow service from tariff.
5. Establish service connection charge for upsized meter services.
6. Establish facilities growth charge for upsized meter service.
7. Establish ready to serve rate for this customer class.

3 The filing would increase charges and rates for service provided by Roche Harbor. Because those increases might injuriously affect the rights and interests of the public and Roche Harbor has not demonstrated that the increases would result in rates that are fair, just and reasonable, the Commission suspends the tariff filing and will hold public hearings if necessary to determine whether the proposed increases are fair, just and reasonable.
