Re: July 20, 2004 Notice of Impending Revocation

To whom it may concern:

Universal Telecom, Inc. (UBI # 602-057-783) purchased Village Telephone of Washington (UBI # 601-898-522) several years ago. We have tried to get the state of Washington to transfer the Village Telephone, Inc. CLEC listing to Universal Telecom, Inc. Village Telephone was closed as an entity. Please update your records. I do not have a problem closing Village Telephone as long as Universal Telecom, Inc. is listed as a valid CLEC in the state of Washington. If we need to file annual reports we can do that also. There has not been any activity in Washington as of yet but we are ready to start now.

Thank you,

Jeffrey R. Martin
President, Universal Telecom, Inc.
