**BACKGROUND**

1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated traffic exchange agreement (Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Agreement is between T-Mobile USA, Inc. (T-Mobile), and Hat Island Telephone Company (Hat Island). The parties filed a joint request for approval of the Agreement on January 13, 2005.

**FINDINGS AND CONCLUSIONS**

- 2 (1) The Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including telecommunications companies. *RCW 80.01.040; Chapter 80.04 RCW and Chapter 80.36 RCW.*
- 3 (2) Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit the agreement to the Commission for approval.

Section 252(e)(2)(A) states that the Commission may only reject an agreement (or any portion thereof) adopted by negotiation if it finds that:

- 4 (i) the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- 5 (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.
- 6 (3) Hat Island is engaged in the business of furnishing telecommunications services, including but not limited to, basic local exchange service within the state of Washington.
- 7 (4) T-Mobile is licensed by the Federal Communications Commission as a commercial mobile radio service provider.
- 8 (5) On January 13, 2005, the parties filed with the Commission a joint request for approval of a negotiated traffic exchange agreement, pursuant to the Telecom Act.
- 9 (6) The Agreement between T-Mobile and Hat Island was brought before the Commission at its regularly scheduled meeting on February 9, 2005.
- 10 (7) The Agreement does not discriminate against any other telecommunications carrier.
- 11 (8) The Agreement will facilitate local exchange competition in the state of Washington.

- 12 (9) The Agreement is consistent with the public interest, convenience, and  
necessity.
- 13 (10) The Agreement meets the requirements of Sections 251 and 252 of the  
Telecom Act, including Section 252(e).
- 14 (11) The laws and regulations of the State of Washington and Commission  
Orders govern the construction and interpretation of the Agreement. The  
Agreement is subject to the jurisdiction of the Commission.
- 15 (12) After examination of the proposed Agreement filed by T-Mobile and Hat  
Island on January 13, 2005, and giving consideration to all relevant  
matters, the Commission finds the proposed Agreement should be  
approved.
