ESSENTIAL TERMS AND CONDITIONS  
PER WAC 480-80-142

Contract No. 1324ICB New X Renewal \_\_\_\_\_ Amendment \_\_\_\_\_

Termination Charges (Con't): terminates this Agreement subsequent to the execution of this Agreement by the Parties but prior to the in service date, Customer shall pay to Verizon all costs incurred by Verizon for contract and service preparation. Termination charges will not apply if Customer, by new agreement or formal amendment to this Agreement, changes the term period to one longer than the three year term period specified in this Agreement.

Termination liability will not apply should Customer upgrade to another EDSR service (change to a higher capacity EDSR service) if all of the following conditions are met: a) A new term commitment period commences with the upgrade which will be reflected in a formal amendment to this Agreement or a new agreement; b) The expiration date of the new service/commitment period from (a) above must extend beyond the three year expiration date of the term period for this Agreement; and c) the new EDSR service is provided at the same Customer locations(s) and/or Verizon CO locations(s) as the discontinued service; and d) Additional nodes and ports added at the time of the upgrade incur all applicable rates.

Termination liability will not apply should Customer upgrade a term port to a higher capacity term port if the value of the higher capacity port for its term is equal to or greater than the remaining value of the replaced port.
