To the WUTC:

I am the founder and owner of Dutchman Marine LLC and have received the notice of intent to cancel the certificates dated January 16, 2008.

In light of recent developments with passenger ferry service implementation, I request a hearing with the commission to contest the cancellation of the certificate for Dutchman Marine LLC. Dutchman Marine LLC wishes to continue to pursue implementation of passenger-only ferry service on Lake Washington and Lake Union; cancellation of the certificate issued by the WUTC would severely hinder the development of the service.

If you wish to reach me by phone, please feel free to call me at (206) 854-4057 or by email at daniel.dolson@gmail.com.

Thank you.

Respectfully,

Daniel E Dolson
