Re: Docket No. UT-081485 - Inland Telephone Company – Petition for
Minimal Regulation of Bundled Telecommunications Services

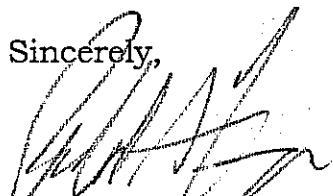

Dear Mr. Danner:

I have been advised by Commission Staff that I included an incomplete reference to the request for waiver of WAC 480-120-161(7)(b). In order for the language to read correctly, please consider the petition filed in this docket at Paragraph 8.f. to read as follows:

“WAC 480-120-161(4)(b), (c), (d) and (e); (5)(a); (6); (7)(a), (b), in part, as to calculation of time and distance charges, and (c); and (11).” (New language is represented by underscoring.)

As required by Commission rule, the original and twelve copies of this letter are being filed. Thank you for your attention to this matter.

Sincerely,

RICHARD A. FINNIGAN
