Dear Mr. Danner:

Enclosed are substitute tariff pages for our Recycle Commodity Price Tracker for Solid Waste Tariff No. 6 in Docket TG-082062. Please do NOT re-docket them. The tariff pages have an issue date of November 13, 2008, with a stated effective date of January 1, 2009. These pages replace the prior pages previously submitted. They extend SSC's current Recycle Commodity Tracker for an additional six months.

Also enclosed is a *Petition for Approval to Continue Existing Recycle Commodity Tracker* seeking the Commission's permission for the company to continue charging our existing Recycle Commodity Price Tracker until June 30, 2009.
