**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TE-090234**

Dear Sir or Madam:

As you are aware, on February 20, 2009, the Washington Utilities and Transportation Commission ("commission") issued a Penalty Assessment against Pacific Transportation, Inc. in the amount of \$100 for failure to file the Company's 2008 Annual Safety Report, as required by commission rules.

The commission has not received the \$100 payment due and owing.

**This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$100 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

Sally Brown  
Senior Assistant Attorney General
