**Transmittal Letter**

Re: Replacement Page Supplement 1 to Time Schedule No. 7 UNDER DOCKET TC-091678 DO NOT RE-DOCKET

Dear Mr Danner:

This Transmittal Letter accompanies a replacement page of a Supplemental Holiday Time Schedule in addition to our existing time schedules which was originally filed October 22<sup>nd</sup>. There are two time periods involved, November 19<sup>th</sup> 2009 thru December 2<sup>nd</sup> 2009 and December 15<sup>th</sup> 2009 thru January 5<sup>th</sup> 2010. Included are the following documents: Supplement 1 to our Time Schedule No. 7 and this cover letter. The main purpose of this schedule is to offer customers the ability to arrive 3 hours earlier and connect to early departures from SEATAC during the holidays without the necessity to go the night before and stay in a motel in order to be at the airport for those early flights and to allow them to depart SEATAC 3 hours earlier if they arrive after midnight. If successful, we will evaluate this as a future permanent change to our schedule.

There are no rate increases, service limitations, or discontinuances associated with this notice and there are no public notification requirements (WAC 480-30-316) (RCW 81.28.040).

The holiday schedule is to be implemented for all Adult, Military and Senior (and their sub categories) from these 3 points, Oak Harbor, North Oak Harbor and NAS Whidbey, which are currently served by this company.

Thank you,

John Solin
