**RE: Asotin Telephone Company
UT-100592 - 2nd Substitute Sheet for Clean up Toll Concurrence**

Dear Ms. Washburn:

Please find enclosed the following tariff page:

Section IX Third Revised Sheet 2

Please accept the attached corrected version for Docket UT-100592. With this substitution page, the Company is removing Item E from the Concurrence Section. Item E relates to Toll Services which is part of the clean up and initial reason we are submitting this filing. Additionally, this Item E pertains to Public and Semi-Public phones, of which the Company no longer owns.

The purpose of this filing is to address some clean up related to when US West exited the intraLATA toll COLR several years ago and the language is no longer applicable.

The proposed effective date is May 14, 2010.

If you have any questions, please contact me at (608) 664-4186.

Sincerely,
