RE: Replacement Pages to Docket TS-110952, please do not re-docket.

Dear Mr. Danner:

These pages are replacement pages, please do not re-docket.

The company requests Commission approval to amend its filed Tariff No. 63 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 43 to help recover the rising cost of fuel. The amount of the surcharge, per calculations on the workbook given to us by WUTC staff member Chris Mickelson, varies by ticket due to the maximum 20% allowed. Most tickets will have a fuel surcharge of \$1.25 per one-way fare, and \$2.50 per round-trip passenger, to become effective on June 1, 2011. The full surcharge request by ticket and freight item is shown on attached *TABLE 1.

If you have any questions about this filing, please contact Cindy Engstrom at (509) 682-1123 or via email at cindy@ladyofthelake.com.

Sincerely,
Jack Raines
