RE: Notice of Intent to Send to Collections, Penalty Assessment No. TN-111154

Dear Sir or Madam:

As you are aware, on July 12, 2011, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Pacific Aging Council Endeavors in the amount of \$100 for violation of WAC 480-31-080, which requires private, nonprofit transportation providers to file annual safety reports and regulatory fees with the Commission by December 31 each year. Pacific Aging Council Endeavors has failed to file its annual report for 2010 and has incurred a penalty of \$100. The commission sent Pacific Aging Council Endeavors a Second Notice on January 31, 2012, and a Final Notice on March 7, 2012.

The commission has not received the \$100 payment due and owing.

This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$100 balance.

If you have any questions about this letter or about the company's obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
