Re: Bremerton-Kitsap Airporter, Inc. Tariff #10 Revisions and Additions --TC-111511

The following revisions and additions to subject tariff are to become effective on October 1, 2011:

Second Revised Page 1. Military Fares, includes dependents of active duty military personnel qualifying for military fares.

Third Revised Page 2. Baggage and Charges, includes the sentence “Leaking or odoriferous items will not be carried”.

The following revisions and additions to subject tariff are hereby withdrawn from this tariff filing and will possibly be reintroduced at a later date:

Second Revised Page 4. All Gig Harbor and N.W. Tacoma fares are increased to match all Purdy fares. This was done since essentially non-stop express service is provided from these two service locations.

Second Revised Page 4. Port of Seattle paragraph added which increases all fares by \$1.00 one way and \$2.00 per round trip to cover Port of Seattle access fees.

Second Revised Page 5. Port of Seattle paragraph added which increases all fares by \$1.00 one way and \$2.00 per round trip to cover Port of Seattle access fees.

Sincerely,

Richard E. Asche
President
