14 and not required by public convenience and necessity.

15 3) Protestant Consolidated Disposal Services, Inc. (Consolidated) is a  
16 Washington corporation. All fees and charges due the State of Washington are  
17 paid. Consolidated is the holder of WUTC G-permit No. G-190, a true copy of

19 collection service, including medical waste, within its permitted territory  
20 Additional medical waste service in this territory is provided by Stericycle, Inc.,  
21 pursuant to G-permit No. G-244. There is no public need for additional medical  
22 waste service in this area. The granting of additional overlapping authority would  
23 be detrimental to the two existing permit holders, contrary to the public interest,  
24 and not required by public convenience and necessity.

25 4) Murrey's Disposal, Inc. (Murrey's) is a Washington corporation. All  
26 fees and charges due the State of Washington are paid. Murrey's is the holder of  
WUTC G-permit No. 9, a true copy of which is attached hereto. Murrey's provides  
full and complete solid waste collection service, including medical waste, within  
its permitted territory. Additional medical waste service in this territory is  
provided by Stericycle, Inc., pursuant to G-permit No. G-244. There is no public  
need for additional medical waste service in this area. The granting of additional  
overlapping authority would be detrimental to the two existing permit holders,

1 contrary to the public interest, and not required by public convenience and  
2 necessity.

3 5) Pullman Disposal Service, Inc. (Pullman) is a Washington  
4 corporation. All fees and charges due the State of Washington are paid. Pullman  
5 is the holder of WUTC G-permit No. G-42, a true copy of which is attached  
6 hereto. Pullman provides full and complete solid waste collection service,  
7 including medical waste, within its permitted territory. Additional medical waste  
8 service in this territory is provided by Stericycle, Inc., pursuant to G-permit No.  
9 G-244. There is no public need for additional medical waste service in this area.  
10 The granting of additional overlapping authority would be detrimental to the two  
11 existing permit holders, contrary to the public interest, and not required by  
12 public convenience and necessity.

13 6) Protestants Rubatino, Consolidated, Murrey's and Pullman have  
14 invested significant funds to provide service to the public within their permitted  
15 areas, and a grant of additional overlapping authority would be detrimental to  
16 those investments and contrary to the public interest. The service sought in this  
17 application is not required by public convenience and necessity.

18 7) Applicant herein cannot establish its regulatory fitness to provide  
19 the requested service.

20 8) All Protestants above named will appear at any hearing regarding  
21 this application. It is estimated that each Protestant will present one witness,  
22 and the direct testimony of each witness would be approximately one hour.

23 9) There is no amendment to this application which would result in  
24 withdrawal of this Protest.

25 WHEREFORE, Protestants, and each of them, pray that this application be  
26 denied, if necessary, after hearings are held.

DATED this 12<sup>th</sup> day of December 2011.
