RE: Evergreen Exchange, Inc. - Sale and Transfer
To Lochaven Water LLC

Dear Secretary:

I would like to take this opportunity to apologize for my tardiness in filing with the Washington Utilities and Transportation Commission. I started an LLC in July of 2010 to purchase Lochaven Water from Evergreen Exchange, Inc. At that time I had no knowledge of the UTC. When it came to my attention that I needed to report to the UTC I called Jim Ward who informed me that I needed to file a sale and transfer. Mr. Ward has helped me acquire these documents by which I would now like to file for sale and transfer of Lochaven Water.

Enclosed you will find the joint application of the above-referenced sale and transfer application to include:

1. Application for transfer (with exhibits),
2. Tariff Adoption notice for existing rates and prices,
3. Signed copy of Instrument of Transfer,
4. Income Statement, Balance Sheet, Asset Listing, Depreciation Schedule, and 2011 tax return for the new company,
5. Copy of customer notice telling them of sale and transfer of water system.

If you have any question, please call me at (425) 508-3295.

Sincerely

Enclosures as noted
